

On Wednesday 1st October, Nursery all went to Lower Drayton Farm for a fabulous day out. This was a visit that had been won by one of our families who kindly passed it onto school so that all of the Nursery children could go. Miss Ball reported that it had been the best day ever and that everyone had thoroughly enjoyed all of the different activities that they had been treated to such as meeting lots of animals, feeding some animals, a tractor ride to harvest some fruit and vegetables and playtime in the play barn!
